Wedding Day Sample Timeline

This is a SAMPLE timeline! Know that times and details can change depending on the schedule of your special day.
This is made to give you a rough idea of what a typical wedding day can look like!

12:00 pm	Getting Ready/Bridal Details
12:45 - 1:15 pm	Bridal Prep. Time to get into that dress!
1:30 pm	First Look
1:45 - 2:15 pm	Bride & Groom Portraits
2:20 - 2:50 pm	Wedding Party Portraits
3:00 pm	Family Portraits
3:30 pm	Bride in Hiding. Wait for the ceremony to begin.
3:30 - 3:50 pm	Reception Details If your reception and ceremony location are on the same site, this is where I will photograph your reception details. If not then it will be photographed during cocktail hour.
4:00 - 4:30 pm	Ceremony
5:00 pm	Cocktail Hour
6:00 pm	Reception Begins
7:45 pm	Sunset Portraits
8:00 pm	The Exit If you are planning an epic exit with sparklers, lanterns or any other special items, this is where I suggest doing a "controlled exit." We'll grab your wedding party and a few special family members to create a mockup of your exit so that I can capture those epic portraits without you having to pay for additional hours of coverage to stay until the end.
